

Our Mission

To empower everyone with confidence through healthy skin at any age, using products based on cutting-edge science, expertise and personalized care.

Excellence and unwavering commitment are our foundational principles, as well as the key elements that skin needs to maintain a youthful and radiant appearance.

With nearly three decades of intensive scientific research and attention to customer concerns, we offer a comprehensive skincare regimen experience at the spa or at home.

Skin health is at the heart of our mission.

POUR LA VIE : REINFORCE AND HYDRATE

Pour la vie strengthens youthful and healthy skin with its Youth Factor, a core of exclusive active ingredients for a complete skincare regimen: signalling peptides, powerful antioxidants, and advanced moisturizers. Ideal for fatigued skin and the first signs of aging.

THE THREE-PHASE MAKEUP REMOVAL TREATMENT

M21111 — AZULENE CLEANSING MILK

A gentle cleansing milk that removes makeup and impurities with a formula enriched with azulene, a soothing compound extracted from chamomile.

Its melting and velvety texture leaves the skin soft and comfortable, reducing redness and irritation.

Usage: Dispense a small amount into the palm, apply to the face, neck, and décolleté. Gently massage and remove with damp cotton until the skin is purified.

M21211 — THE LOTION N°1

A gentle tonic lotion formulated with rose water, collagen and hyaluronic acid to prepare the skin for subsequent care.

Its light and fresh texture tones, deeply hydrates, soothes and revitalizes the skin.

Usage: Morning and evening, apply with a cotton pad or fingertips, and gently massage the face, neck, and décolleté.

M21212 — THE LOTION N°2

A purifying tonic lotion enriched with glycolic acid and cornflower water to prepare the skin for subsequent care.

It is particularly suitable for combination to oily skin, helping to regulate sebum production and tighten pores.

Usage: Morning and evening, apply with a cotton pad or fingertips, and gently massage the face, neck, and décolleté.

FACE CARE

M21530 — EXTRA RICH FIRING MASK

A mask for all skin types to clarify and smooth by reducing imperfections with a combination of kaolin clay and plant extracts.

Its creamy texture leaves the skin transparent and radiant, improving texture and tone.

Usage: Apply either every morning as a «starter» or 2 to 3 times a week in a medium layer on the face and neck. Leave on for 10 minutes, then remove with damp cotton pads or gently exfoliate with upward circular motions. Follow with Lotion No. 1 or No. 2. Continue with Performing Recovery Complex, T-Zone Corrector Serum, or Triple Concentrate Prestige.

Warning: Avoid the eye area and eyelids.

M21531 — BRIGHTNESS REVEALING MASK

A mask rich in algae extracts and vitamin A for a brightening effect, radiant complexion, and hydrated skin.

Its rich and creamy texture offers an immediate glow.

Usage: As a morning starter (every morning) to refresh your skin, apply an even layer over the entire face, avoiding the eye area, neck, and décolleté. Leave on for 15 minutes, then gently massage until fully absorbed.

As a complement to the evening routine, when the skin is looking dull or marked by fatigue, apply the mask in a thin layer under the night cream.

For an at-home facial treatment, generously apply the product to the entire face, avoiding the eye area. Leave on for 20 minutes before performing a delicate massage with your fingertips on the face, neck, and décolleté until fully absorbed. Suitable for dry, dehydrated, sensitive to extremely sensitive, oily, and combination skin.

Warning: Avoid the eye area and eyelids.

M21430 — PERFORMING MOISTURE CREAM

A cream for dehydrated and sensitive skin, rich in hyaluronic acid and ceramides.

Its rich and creamy texture provides comfort and radiance, strengthening the skin barrier.

Usage: Morning and evening, apply to cleansed face and neck. Optimize with an appropriate serum.

M21431 — EXTREMELY NUTRITIVE CREAM

An evening skincare product for devitalized skin, formulated with essential oils and shea butter.

It restores suppleness and softness, revitalizing the skin during sleep.

Usage: Apply in the evening to cleansed face and neck. Can also be used as a day cream.

M21310 — PERFORMING RECOVERY COMPLEX

A radiant serum for instant freshness, enriched with peptides and vitamins. Its light texture quickly penetrates the skin, stimulating natural functions for healthy and luminous skin.

Usage: Morning and evening, apply before day or night care, and gently massage the face and neck.

M21320 — T-ZONE SERUM CORRECTOR

A treatment for combination to oily skin, formulated with a prebiotic to mattify and even out the complexion.

Its fluid texture quickly penetrates, regulating sebum production and minimizing enlarged pores.

Usage: Apply by gently massaging the T-zone, morning and evening.

M21600 — YOUTH REVITALIZING OIL

Face oil for all skin types with regenerating, soothing, and anti-aging action, thanks to a synergy of plant oils (Hibiscus, Moringa, St. John's Wort) and a biotechnological active derived from microalgae.

Strengthens the skin barrier, protects against external aggressors, and supports natural regeneration.

Its dry, lightweight texture leaves the skin supple, nourished, and perfectly balanced.

How to use: Apply a few drops morning and/or evening as the final step of your routine, on the face, neck, and décolleté.

H888V — IMASK HYRASOURCE

A luxurious bio cellulose mask enriched with hyaluronic acid, vitamins A & E, and panthenol. It delivers long-lasting hydration, soothes the skin, diminishes visible signs of aging, and enhances radiance for a luminous, refreshed complexion.

Application: Wipe the face with the Lotion 1. Apply the mask over the face and leave on for 20 minutes. Remove the mask, do not rinse.

B888V — IMASK BOTOLIFT

A luxurious bio cellulose mask enriched with plumping peptides, panthenol, vitamins A & E, and hyaluronic acid. It instantly helps the skin appear firmer and more plumped, while smoothing the surface for a visibly youthful, revitalized glow.

Application: Wipe the face with the Lotion 1. Apply the mask over the face and leave on for 20 minutes. Remove the mask, do not rinse.

P888V — IMASK PURE

A luxurious bio cellulose mask enriched with marine collagen, mallow leaf extract, hyaluronic acid, vitamins A & E and panthenol. It soothes, firms, and revitalizes the skin while visibly reducing the appearance of fine lines for a smoother, more radiant complexion.

Application: Wipe the face with the Lotion 1. Apply the mask over the face and leave on for 20 minutes. Remove the mask, do not rinse.

BODY CARE

M23130 — THE OLIVE GEL

A care gel for bath and shower, also used as a shampoo, enriched with olive extracts and coconut oil. Its creamy texture leaves the skin soft and the hair shiny, protecting against external aggressions.

Usage: Apply all over the body and hair, massage and rinse thoroughly.

M23140 — THE LAVENDER OIL

A precious body oil, ideal for massages, formulated with lavender essential oil and nourishing vegetable oils (jojoba, avocado, and almond). Its silky texture provides comfort and well-being, soothing and relaxing the skin.

Usage: After bath or shower, apply in circular massages until absorbed.

PRESTIGE: FILL AND SMOOTH

The solution for dehydrated skin and deep wrinkles. The Prestige line products enhance skin density and firmness with innovative active ingredients and formulations highly concentrated in hyaluronic acid.

M21330 — TRIPLE CONCENTRATE

A source of youth for all skin types, this serum uses a synergy of three types of peptides to stimulate skin regeneration.

Its lightweight texture quickly absorbs for spectacular results.

Usage: Morning and evening, apply to cleansed face and neck, massaging until fully absorbed.

M21420 — TRIPLE ACTION CREAM

A 24-hour care product for dry and devitalized skin, enriched with retinol, hyaluronic acid, and peptides.

Its rich and creamy texture offers instant comfort, reinforcing the skin's structure.

Usage: Morning and evening, apply to cleansed and toned face and neck, massaging until fully absorbed.

M21371 — EYE ZONE RENOVATING SERUM

A serum for comfort and freshness around the eyes, formulated with caffeine extracts and peptides.

Its lightweight texture quickly absorbs, reducing puffiness and dark circles.

Usage: Morning and evening, apply with gentle massage.

M21470 — ENERGIZING EYE ZONE CREAM

A rich and generous cream for the eye contour, enriched with shea butter and hyaluronic acid.

Its creamy texture provides suppleness and comfort, smoothing wrinkles and fine lines.

Usage: Morning and evening, after Eye Zone Renovating Serum, gently massage until absorbed.

M21570 — EYE CONTOUR LIFT COLLAGEN MASK

Collagen fibre patches infused with an anti-aging serum to stimulate the skin's transparency and radiance.

Gel-like texture for a refreshing, lifting, and hydrating effect on the eye contour.

Usage: Apply the patch for 10 minutes, remove, and massage with the Energizing Eye Zone Cream.

M21580 — FACE LIFT COLLAGENE VISAGE

A collagen fibre mask that feels like a «second skin» for an instant lifting effect.

Gel-like texture for optimal penetration of active ingredients, revitalizing and firming the skin.

Usage: Apply to cleansed skin, leave on for 15-20 minutes.

ANTI-AGING | LUMINANCE: REVITALIZE AND ILLUMINATE

This comprehensive skincare range revitalizes dull and tired skin with innovative ingredients and cutting-edge formulations.

FACE CARE

M21510 — STEM CELLS ILLUMINATING SERUM

A radiant serum suitable for all skin types. Enriched with plant stem cells and vitamin C, its fluid texture acts like an «injection» of light, brightening and revitalizing the complexion.

Usage: Morning and evening, apply to face and neck, followed by the brightening emulsion.

M21500 — STEM CELLS ILLUMINATING EMULSION

A rich yet lightweight emulsion for a radiant complexion. Formulated with plant stem cells and pearl extracts, its silky texture quickly absorbs, delivering brightness and vitality.

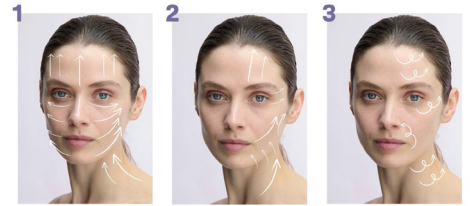

Usage: After the brightening serum, apply to face and neck, massaging until fully absorbed.

M23150 — INSKIN ACTIV'NIGHT CREAM

A night cream rich in plant-based retinol and zinc for optimal skin renewal.

Its creamy texture provides night-time comfort, promoting skin regeneration.

Usage: Apply after the Inskin Activ'Mist, massage accordingly.

M23170 — INSKIN ACTIV'MIST

A fine, lightweight mist for tired skin. Enriched with peptides and plant extracts, its hydrating texture enhances skin elasticity and firmness and provides an immediate feeling of freshness.

Usage: Spray on face and neck several times a day for a revitalizing effect.

M23161 — HYDRASOURCE INSKIN INTENSIV'BOOSTER

An intensive hydration treatment combining four types of hyaluronic acids. Its lightweight texture allows for quick absorption, offering deep hydration.

Usage: Apply for 15 consecutive days after the Inskin Activ'Mist for plumped and hydrated skin.

M23160 — BOTOLIFT INSKIN INTENSIV'BOOSTER

A concentrate enriched with Boto Peptide for an instant lifting effect.

Its fluid texture quickly absorbs, smoothing wrinkles and fine lines. **Usage:** Apply for 15 consecutive days after the Inskin Activ'Mist for a visible anti-aging effect.

M23162 — VITALV INSKIN INTENSIV'BOOSTER

A booster containing vitamins C, B3, and B5, designed to reduce wrinkles and improve skin tone and elasticity.

Its lightweight texture is ideal for nighttime application, revitalizing the skin during sleep.

Usage: Apply for 15 consecutive days after the Inskin Activ'Mist for strengthened and radiant skin.

BODY CARE

These specific treatments maintain the beauty of the skin on the body, combining effectiveness with sensory pleasure.

M23411 — BEAUTY SCRUB

A scrub for soft skin, preparing it for further care. Formulated with natural exfoliating particles, its granular texture gently removes dead skin cells.

Usage: Apply to the face and/or body, massage in circular motions, then rinse thoroughly.

M23440 — COLLAGEN BOOSTER SERUM

An energizing and restructuring treatment for soft and toned skin. Enriched with collagen peptides, its light and penetrating texture revitalizes and firms the skin.

Usage: Apply daily before the Anti-cellulite Collagen Cream for optimal results.

M23431 — BEAUTY EMULSION

An amber-pink emulsion for incomparable softness. Enriched with nourishing oils and silk extracts, its light texture quickly absorbs, leaving the skin soft and hydrated.

Usage: Apply daily after a bath or shower, massaging until absorbed for smooth and satin-like skin.

M23432 — ANTI-CELLULITE COLLAGEN CREAM

Combat the «orange peel» effect, cellulite, and lack of firmness with this cream that helps prevent skin imperfections.

Usage: Use daily on the affected areas of the body. Massage in circular motions to ensure the cream is fully absorbed.

Warning: Do not touch your eyes with unrinsed hands after using this product.

M23433 — COLLAGEN FIRING CREAM

A true collagen treatment created for the body, ideal for skin that has lost tone and softness.

Usage: Apply morning and/or evening all over the body, massaging with emphasis on the thighs, stomach, chest, and inner arms.

Warning: Do not touch your eyes with unrinsed hands after using this product.
